BUFFET MENUS

Whatever the occasion, we have all your catering arrangements covered and will reserve an area of the pub for your use at no extra cost, from small and intimate gatherings through to larger parties.

With a large car park, step-free access and a peaceful garden to the rear, we are the top choice every time.

These menus are available for parties of 20 or more and can be tailored to suit personal tastes or dietary requirements. We can also provide a bespoke restaurant menu if you would prefer a more formal meal.
